Cad é Inis Dom!?

Fáilte go dtí an fiontar nua seo **'Inis Dom!'** ina bhfuil aird faoi leith tugtha ar fheidhm agus ar úsáid na Gaeilge i gnó in Inis. Is í aidhm an fhiontair seo ná lárfhoinse eolais a sholáthar do ghnónna ar mian leo leas a bhaint as an nGaeilge mar uirlis ghnó inúsáidte agus éifeachtach.

Conas a chuideoidh sé le mo ghnó?

Tá clár leathan seirbhísí agus tacaíochta á shíorfhorbairt faoi láthair ag Foras na Gaeilge trínár bhfeachtas sainbhrandála 'Gnó means Business' ar mhaithe le húsáid phraiticiúil na Gaeilge a éascú agus a mhéadú laistigh den earnáil ghnó. Déanfaidh **'Inis Dom!'**, mar chuid den mhór-iarracht seo, úsáid na Gaeilge a chur chun cinn. Creidimid go láidir gur féidir leis an nGaeilge buntáistí agus breisiúlacht a thabhairt do gach cineál gnólachta ar dhóigheanna éagsúla, bíodh Gaeilge líofa agat nó ná bíodh fiú!

Tá borradh mór tagtha cheana féin faoi chleachtas an dátheangachais in earnáil an ghnó phríobháidigh agus phoiblí araon agus, i gcomhair leis an mBéarla, tá tréithe uathúla na Gaeilge á n-úsáid anois ag an Lucht Gnó go han-éifeachtach mar uirlis mhargaíochta ar chomharthaíocht, stáisteanóireacht, phacáistíocht agus fhógraíocht.

Cén Fáth Inis?

Tá Inis aitheanta le blianta beaga anuas mar bhaile ina bhfuil forbairt agus borradh tagtha ar úsáid na Gailge inti. Tá príomh-dhuais Ghlór na nGael buaite ag an baile ceithre uair chomh maith le Gradam Tidy Towns le Gaeilge dhá uair.

What is Inis Dom!?

Welcome to the new initiative **'Inis Dom!'** which focuses on the everyday use of the Irish language as a medium for doing business in the town of Ennis. The aim of this initiative is to provide a central source of information to businesses who wish to use the Irish language as a practical and productive business tool.

How will it help my business?

Foras na Gaeilge is constantly developing a wide programme of services and support through a special branding campaign 'Gnó means Business' which aims to facilitate and increase the practical use of Irish within the business sector. **'Inis Dom!'**, as part of this overall initiative, seeks to promote the use of Irish by costumers and businesses alike in everyday transactions throughout the town. We strongly believe that the Irish language can be a great advantage to every type of business in various ways, even if you don't have fluent Irish!

Recent times have seen the practice of bilingualism become increasingly popular in both the public and private business sectors and, accompanying English, the unique characteristics of the Irish language are being effectively harnessed by the Business Community as a marketing tool on signage, stationery, packaging and advertisements.

Why Ennis?

In recent years, Ennis has been recognised as a town in which significant expansion and development has occurred in the use of Irish. The town has won the Glór na nGael National Award on four occasions and the Tidy Towns le Gaeilge twice.
